SHT/14.7.

A revised draft Order is sent herewith.

2. F.D.(Supply) Order No.310 dated 23rd April 1945 refers to the villages of Gorai and Manori. Since under R.D.Notification No.9823/33-III dated 24th September 1945 these villages are included in and form part of the Thana Taluka in the Thana District, it would be sufficient if these villages are shown as situated in the Thana Taluka in the Thana District. The relevant amendment in the draft Order provides accordingly.

3. F.D.(Supply) Order No.31(a) dated 22nd December 1944 provides for granting of a permit by the Director of Civil Supplies or the Assistant Director of Civil Supplies or the Licensing Officer in the office of the Supply Commissioner in the case of the Bombay Suburban District and elsewhere in the areas specified in the Schedule to the Order by the District Magistrate or the Additional District Magistrate concerned. The areas specified in the Schedule include Thana District. Since the intention is that the reference to the Bombay Suburban District in the Order should be to the Bombay Suburban District as constituted immediately before the 1st day of October 1945, it would be desirable to exclude specifically from the jurisdiction of the District Magistrate, Thana, the area which before 1st October 1945 formed part of the Bombay Suburban District but has since that date been excluded therefrom and included in the Thana District. The amendment made to this Order provides accordingly. Before issuing the amendment F.D.(Supply) should verify that the Order in question is still in existence.

4. The publicity clause as proposed by F.D.(Supply) has been revised. The Department should verify if the revised clause is suitable.
